Great idea.

I can add that as a breakout also.

Kerry,

I think this is a great agenda.

We might want to include some reference & time to Mike Feur's possession ordinance and the challenge of balancing the need to keep the public realm clean & safe while not criminalizing homelessness. Other cities may have some different approaches to address this issue which would be worthwhile discussing.

Subject: Agenda draft 7-2-15

Hi friends,

This is going to be an AMAZINGLY INFORMATIVE day!

Here is the agenda...with all but two speakers nailed down. Lauren, can you proceed to get these names into the promotional information?

Also, we decided today on the call that it would be good for us to invite board members to this forum – so feel free to share this draft agenda with your boards, and encourage them to sign up.

Next week we should do some targeted marking to the larger BIDs in the state to make sure they are aware. I am going to send this down to San Diego before I leave tonite.

Great job everyone.

Kerry
